

COMMUNITY BASED
MEDICAL HOMES

Army Family

Healthcare

The way it CAN be...The way it SHOULD be

Community Based Medical Homes

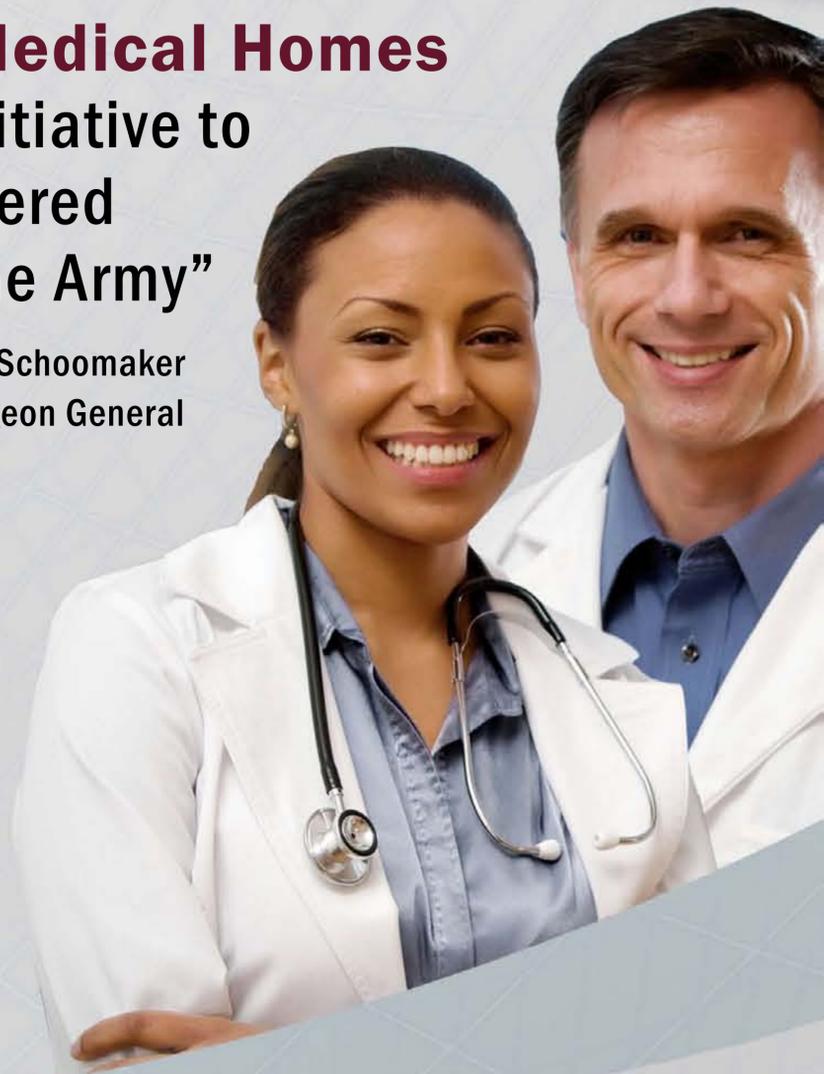

are "...our first major initiative to implement Patient Centered Medical Home across the Army"

- LTG Eric B. Schoomaker
U.S. Army Surgeon General

Your Own

Personal Healthcare Team

Focused on you and
your Family's Health.

Advanced Access

- Located off-post, conveniently in your communities
- Traditional, face-to-face visits PLUS
 - Telephone consultation with your health care team
 - Forward thinking communication options
- Schedule appointments with a Clinical Pharmacist or Behavioral Health Professional
