A Prayer for Loved Ones Serving Overseas

Gracious God, I ask that your hand of protection be on all those who are serving overseas. It is hard to endure the separation from the ones we love and our hearts feel ragged with worry at times because of the danger they might be in. While our hearts are filled with deep love, our love alone cannot bring our Soldiers back to us safely. So, I pray that you will do for them what we are unable to do. I pray also that when they are troubled by fear, confusion, loneliness, and doubt that you will wrap them in your embrace until the time of turbulence has passed. May your love bring them peace and strength and the certainty of knowing they are loved. I ask this in Jesus' name. Amen.

BURN BAN EFFECTIVE IMMEDIATELY:

Fort Stewart/Hunter Army Airfield is implementing a temporary burn ban for all open flames effective immediately until further notice. The burn ban includes prescribed burns, construction debris burns, campfires, cooking fires, charcoal grill fires (gas grills are OK), and all outdoor open burning. It is in concert with a statewide burn ban request instituted by the Georgia Forestry Commission. This action is necessary due to rainfall deficit and extremely dry forest fuels contributing to volatile fire conditions. For possible exceptions, please contact Jeffrey Mangun, Chief Forestry Branch/435-8125/8030.
